

LEGEND LAKE TOURS

Interested in the history, legends, and oral teachings of the Flatbow Kutenai People? Treat yourself to 2.5 hours on a boat tour and learn the ancestral teachings of the Indigenous People who have lived on Kootenay Lake and its tributaries for over 10,000 years. In this small group setting, information on the legends and how they are reflected in the geographical formations will be shared....and participants will have the opportunity to ask questions and have open discussion.
